Duplicate Email Allowed

To Do Improve Bug

Description

Description: System allows a new user to register using an email address that is already registered, causing duplicate accounts.

Steps to Reproduce:

1. Open registration page
2. Enter an already registered email
3. Fill remaining fields and click Register

Expected Result: Error message should appear: "Email already exists."

Actual Result: Registration is successful.

Invalid email accepted

To Do

Improve Bug

Description

Description: System accepts invalid email formats during registration.

Steps to Reproduce:

1. Open registration page

2. Enter invalid email (example: testgmail.com)

3. Submit form

Expected Result: Validation error should be shown.

Actual Result: User is registered successfully.

Duplicate Products Displayed

To Do

Improve Bug

Description

Description: Same product appears multiple times in product list.

Steps to Reproduce:

1. Search for a product

2. Open product listing page

Expected Result: Each product displayed once.

Actual Result: Duplicate products shown.
